

## **AN APPEAL**

Dear All of Chennai Unit,

Kindly see the contents addressed to Sh. Ravi Malik, the SG of AIACEGEO. Considering the urgency with which we are required to act in the face of almost 100 retirements happening every month in the grade of Superintendents and to fast track the process of CR we will definitely need to meet and deliberate. I am placing my hopes on you to help me in the smooth process of holding the AEC. Like you did in 2010 and made this unit proud, I appeal to you to help this Unit keep its flag flying high. I have informed Sh. Ravi Malik that the exercise will be very simple and the associated expenditure has to be very gentle on this Unit. There will be an EC meeting on 23th June Monday at 1530 Hrs in NH Road premises [the room location will be SMSed. kindly attend and provide valuable inputs and please inform others.
